

God is on the move in extraordinary ways among Persians around the world. Multitudes have already come to faith, but millions are still unreached with the gospel. There are approximately 110 million Persian speakers worldwide, including Persians, Tajiks, Hazaras, Tats, and Aimaqs. Each year an estimated 300 million people throughout Central Asia and surrounding countries celebrate NOWRUZ, Persian New Year; for 14 days they celebrate 3000-year-old traditions that far predate Islam. Followers of Jesus around the world can take this opportunity to share about Jesus who is “doing a new thing...making a way in the wilderness and streams in the desert” (Is 43:18-19). In a recent meeting, many movement leaders sensed that now is a key moment in the history of this nation and its peoples. In response the 24:14 Community is calling our whole family to 14 days of united prayer and fasting at this ‘kairos’ time.
