

GCM

GLOBAL CATALYTIC MINISTRIES

Thank you for your continued prayers for GCM and the work God is doing among Muslims in Restricted Nations. We are honored to have your partnership at this critical time in history. There is a window open right now in many parts of the Middle East- would you join us in asking God for special breakthrough during the month of Ramadan?

As you can imagine, during this time the spiritual heaviness in increased in Muslim majority nations as many perform rituals of pain and death, added Islamic prayers, and even terrorist activity.

This year is especially different due to the COVID-19 virus and closure of The Great Mosque of Mecca, commonly known as al-Masjid al-Harām. It has been over 900 years since this Mosque was closed and not open for visitors making the Hajj (Muslim Pilgrimage). This is extraordinary- think about the power of corporate prayer and that Muslims worldwide are unable to access corporate prayer right now. Could it be at such a time as this they are even more open to encountering Christ through relationships, visions, dreams, and even media access ministries?

We covet your prayers for the disciple makers living in the darkest regions of the earth and those taking risks to minister to Muslims at such a time as this! Let us pray especially for those we would consider the most dangerous places for a Christian to live according to Open Doors World Watch List.
